## **Casey's Law**

[caseyslaw.org](http://caseyslaw.org)

Casey's Law provides a means of intervening with someone who is unable to recognize his or her need for treatment to recover and survive from the disease of drug and/or alcohol addiction due to their impairment. This law will allow parents, relatives, and/or friends to petition the court for treatment on behalf of the person who has a substance use disorder.

To begin the process, file a petition at the local courthouse where they reside explaining in detail why the concern is valid. There is a fee to file, but there are resources available to help cover the fee. For more information see [caseyslaw.org](http://caseyslaw.org).

Once the petition is accepted, the person in concern will need to see 2 medical professionals to determine they are indeed suffering from substance abuse disorder, with the help of the person who files. Once evaluated, the person will appear in court to determine the course of treatment, lasting from 60 days to a year.

## **The Good Samaritan Law**

Kentucky's Good Samaritan Law /// KRS218A.133

The Good Samaritan Laws protects from blame, those who choose to aid others who are injured or ill. A person who commits crimes to provide immediate help to others is protected from prosecution. In this case, the defendant's actions in being arrested and being held in jail are clearly acting to provide immediate aid to another person.

This law was passed to encourage people to help their friends who have suffered from overdose. Before people would not call 911 due to fear of their self-getting in legal trouble. The Good Samaritan Law counters this by granting "legal immunity" to someone who calls 911 for help, meaning they will not be arrested for having small amounts of drugs at the overdose scene. This law was put in place because we value saving lives more than we value punishing drug use. The law encourages people to call 911 for help and staying with their friend until help arrives. The laws are intended to reduce bystander hesitation to help for fear of being prosecuted for unintentional injury of wrongful death.

The Good Samaritan Law does not excuse all criminal activity at a drug scene. It protects against small amounts. It does not extend outstanding warrants, probation, or parole violations, or other non-drug related crimes.

## NO ONE SEES IT LIKE WE DO

Hear from our judge, nonprofit leaders, preachers,  
police officers, people in recovery, mothers,  
daughters, aunts, nephews, and more.  
See what we see in the addiction world.

These are our people, using our voices, telling our stories.
